

The Director of Central Intelligence

Washington, D.C. 20505

28 February 1980

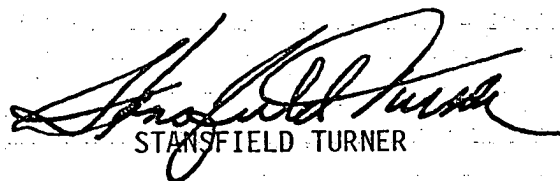

Dear Frank,

A note to let you know how useful and stimulating I found the exchange at our recent dinner at the Metropolitan Club.

Industry's views and assessments of the overall global picture are very important inputs which hitherto have not been sufficiently aired.

I therefore appreciated the opportunity to hear those views. Thank you for taking the time from your busy schedule to join me.

Yours,

STANSFIELD TURNER

Mr. Francis P. Lucier
Chairman and Chief Executive Officer
The Black and Decker Manufacturing Company
